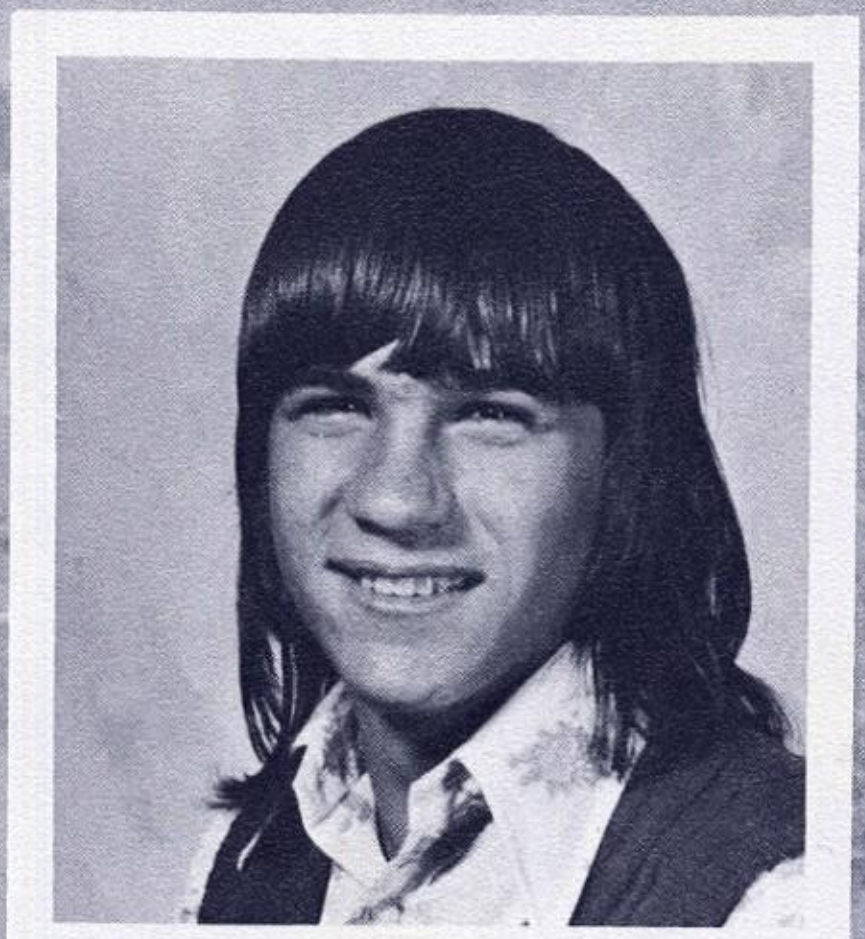
Memoriam



Ed Harris

He was given the gift of life,
To live in glory.
To learn and speak and feel and love
To learn and acknowledge his surroundings

We must not feel cheated by his death
He learned and he grew
Except the justice of his death
He lived longer than many, better than most.

So seek not sadness for him
He was given the gift of life
And he lived.

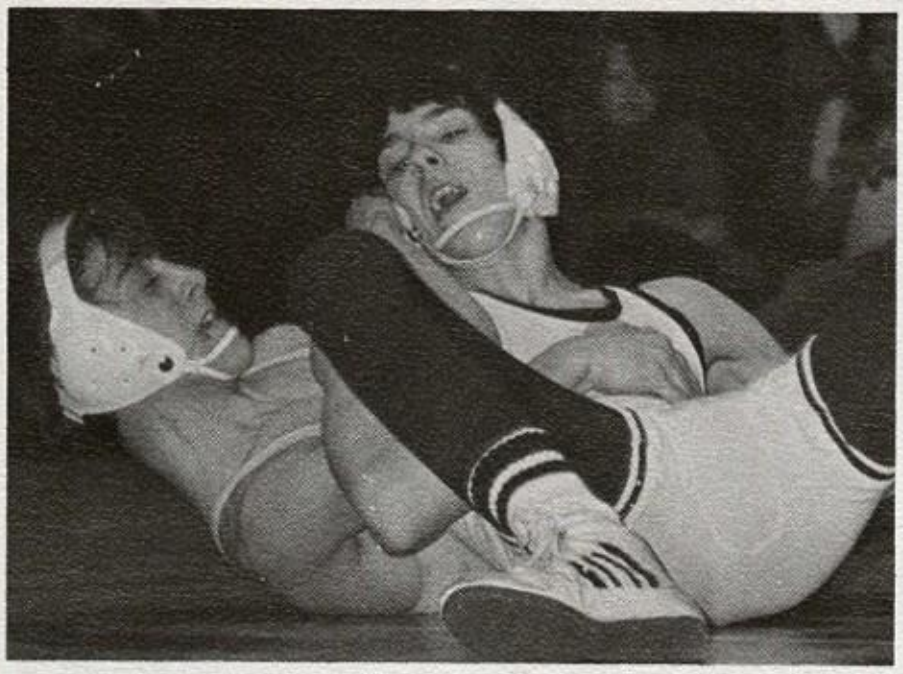
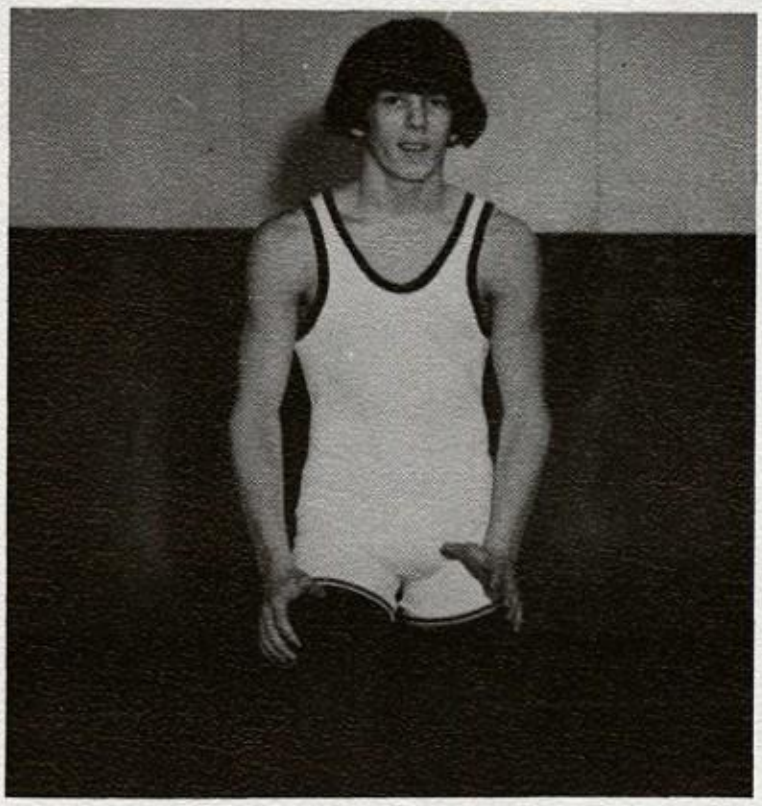
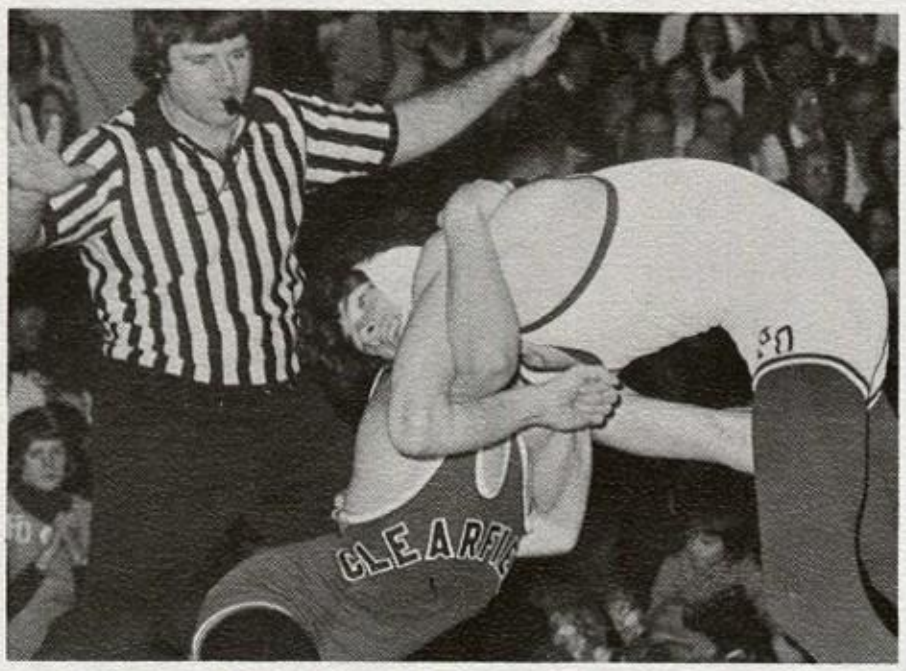
Tim Bainey—Winningest Wrestler

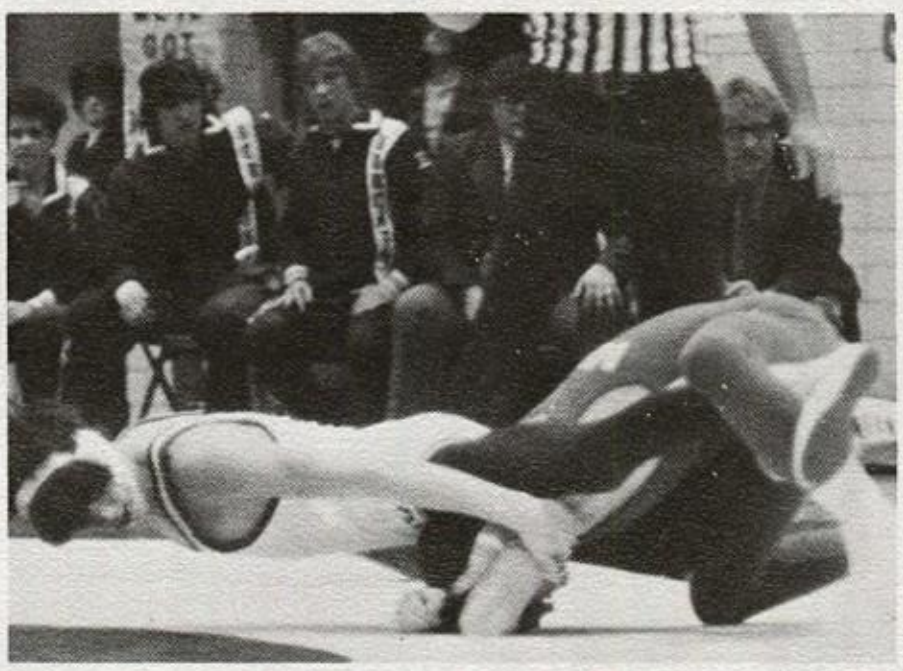


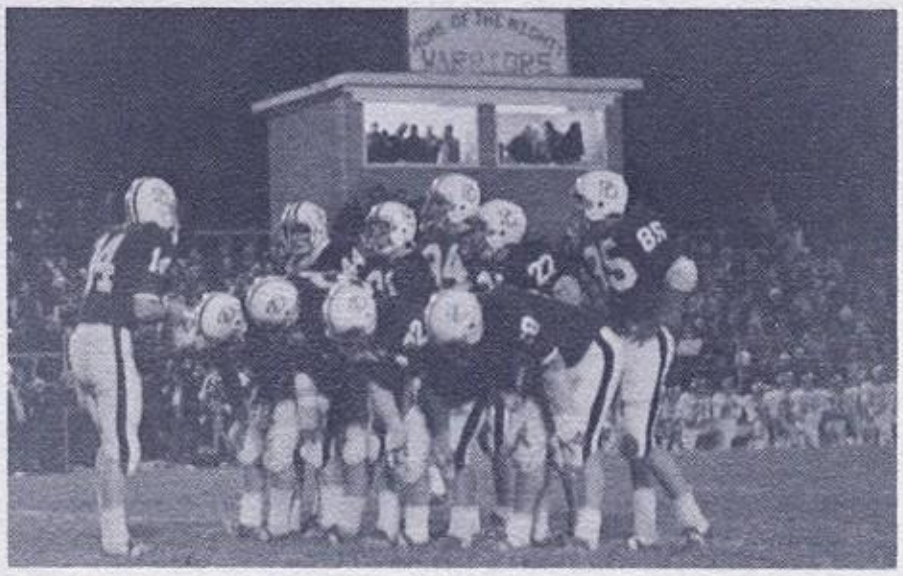
Tim Bainey is a senior who has broken the record for the winning most wrestler in P.O. history. His career record is 64 wins, 12 loss. Tim's dedication, determination, desire and love of wrestling has made him one of the best wrestlers in the history of our school.

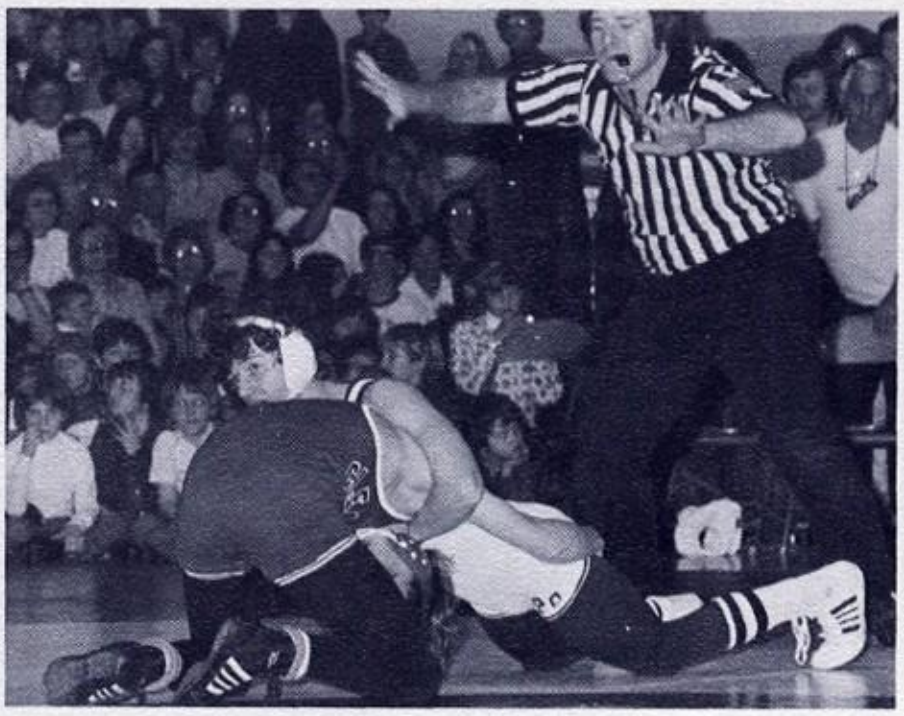


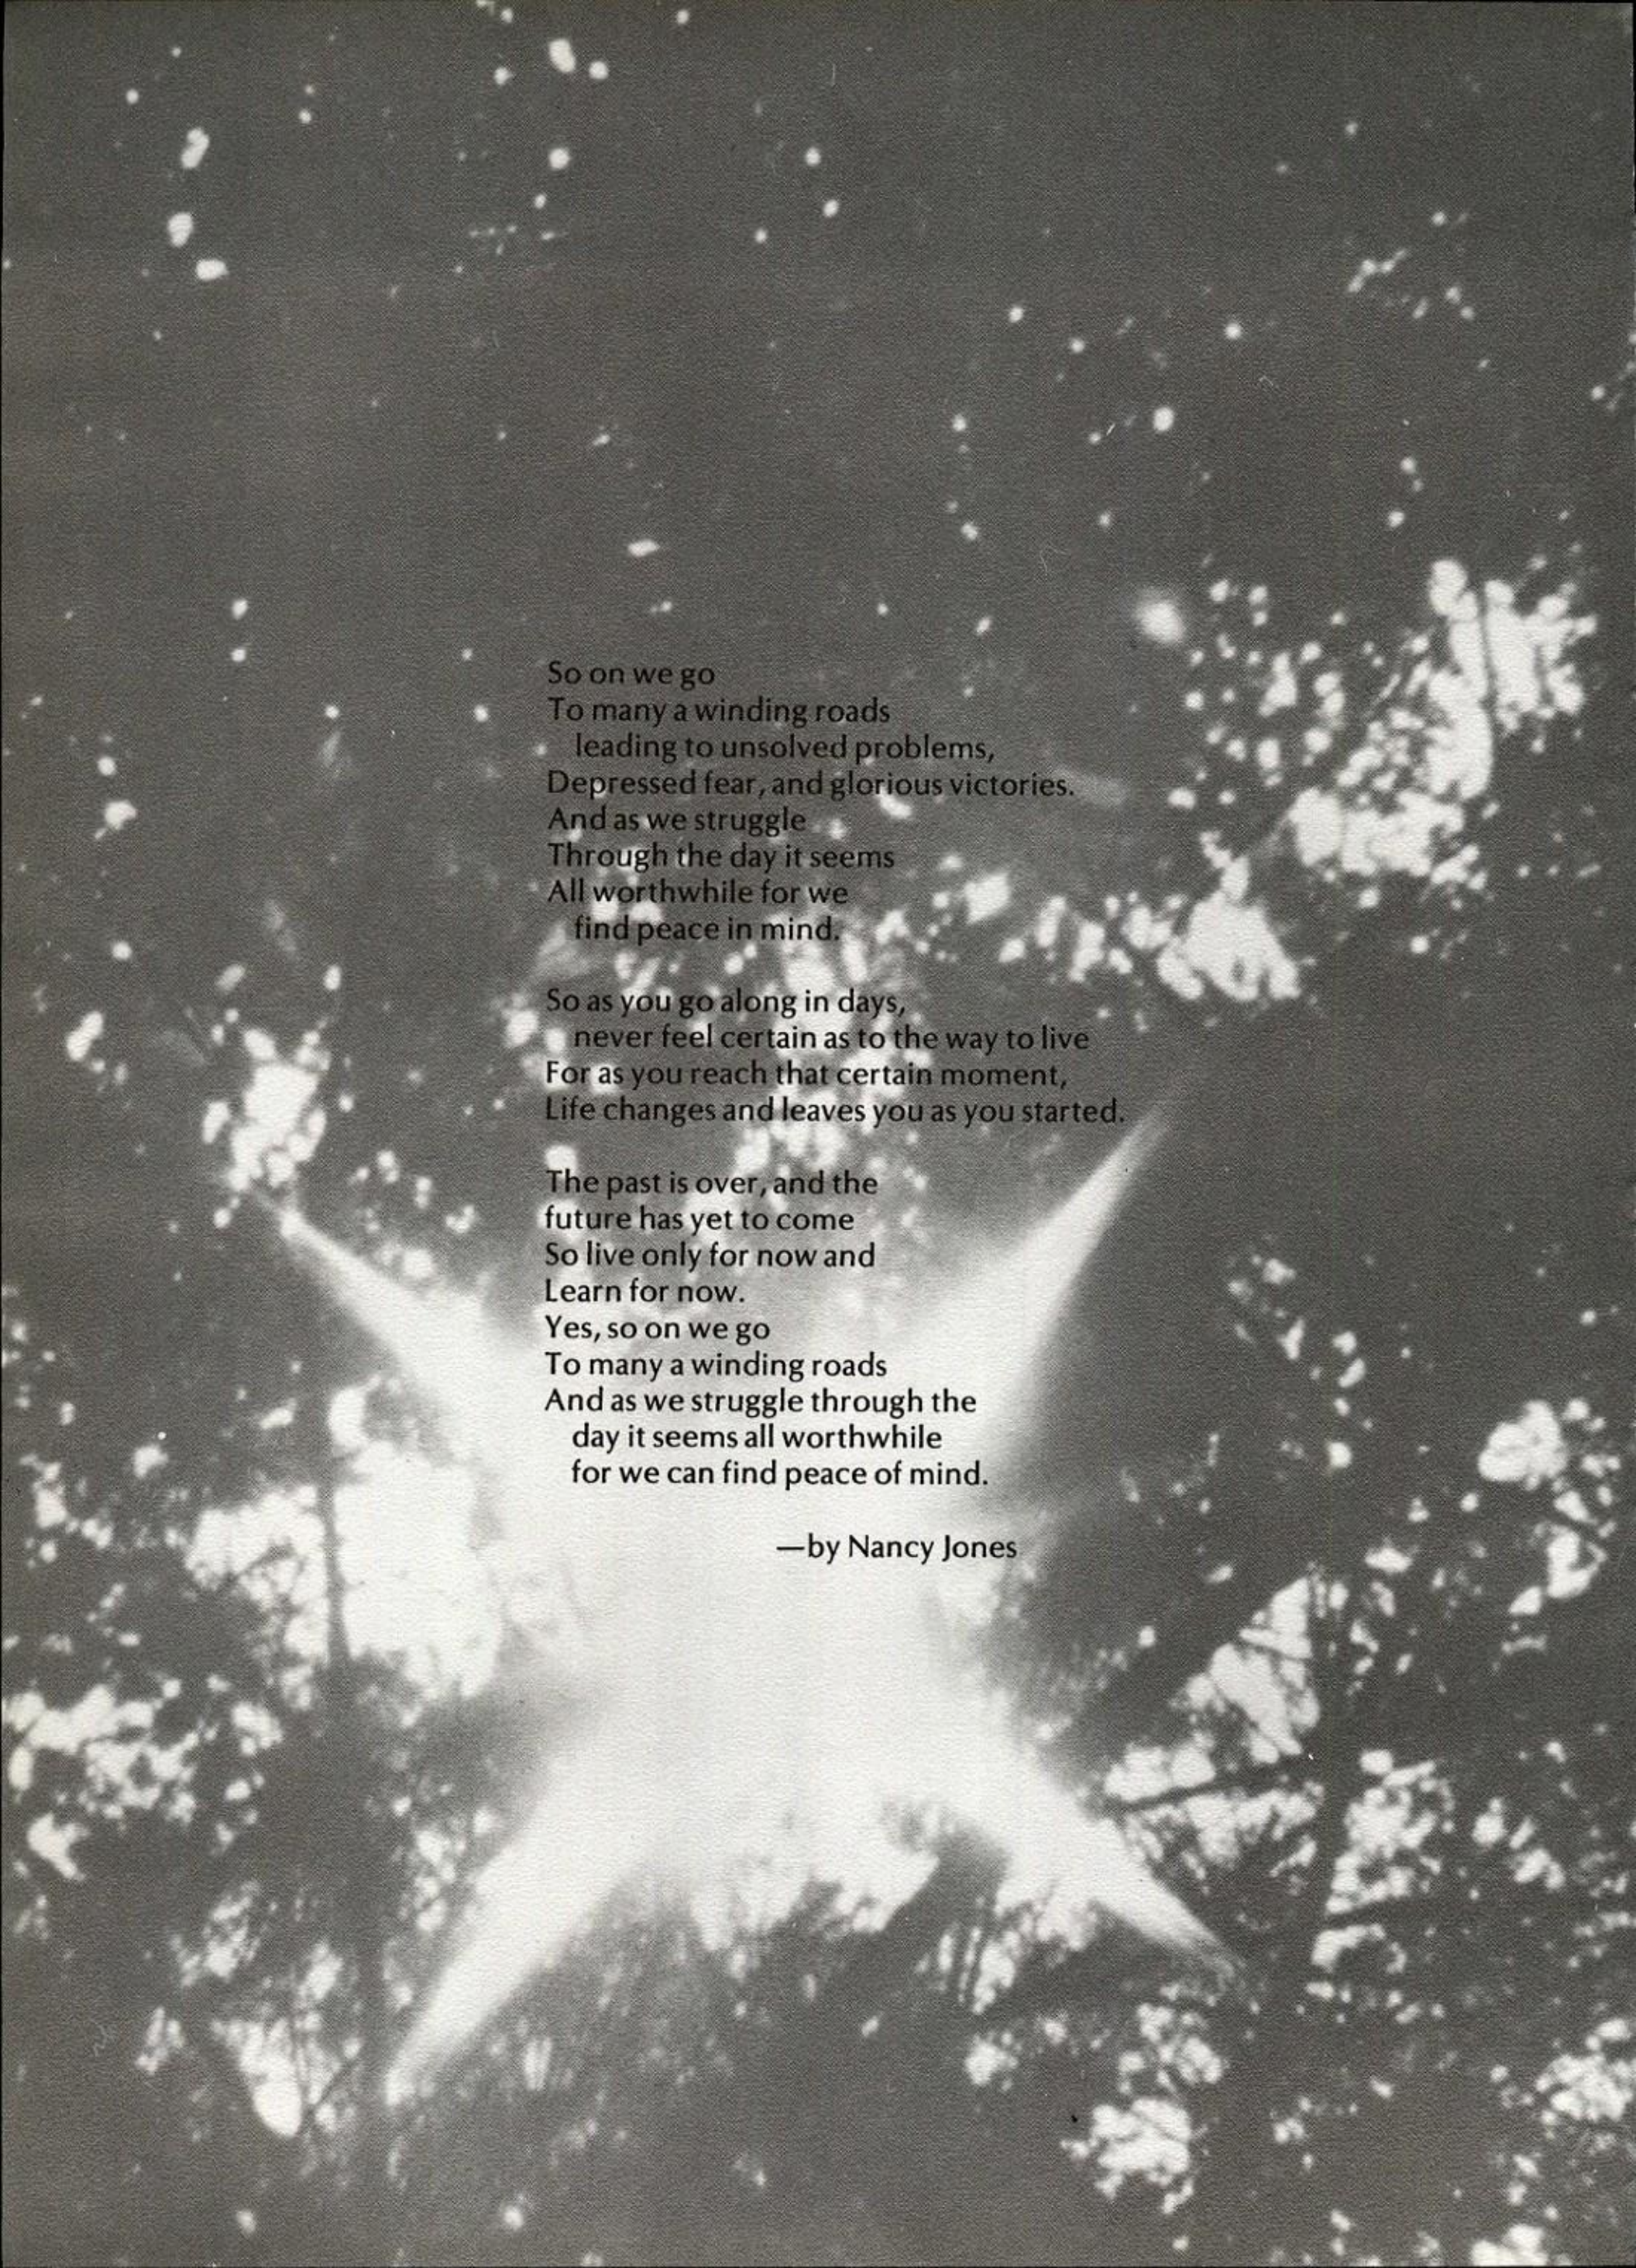
We the Senior Class of 1976 are proud to have Tim as a part of our class. We wish you luck and Congratulations!











So on we go
To many a winding roads
leading to unsolved problems,
Depressed fear, and glorious victories.
And as we struggle
Through the day it seems
All worthwhile for we
find peace in mind.

So as you go along in days,
never feel certain as to the way to live
For as you reach that certain moment,
Life changes and leaves you as you started.

The past is over, and the
future has yet to come
So live only for now and
Learn for now.
Yes, so on we go
To many a winding roads
And as we struggle through the
day it seems all worthwhile
for we can find peace of mind.

High school is the whirl of fall leaves
Swirling across a road at twilight.
It's a gold-plated megaphone dangling
from a chain.
It's buying all the latest fashions,
Then baby-sitting.
It's meeting friends,
Watching the winning touchdown
And experiencing the thrill and sweat
of a locker room after the struggle.
High school is cramming for an exam
That you'd rather forget.
It's a shiny bronze ring that catches the light
and a charm bracelet with scattered memories.

High School is growing up, and
growing up is wishing you
were young again.
